

## GA Barnie Group Community Benefit Award Scheme

### Background Information

GA Barnie Group is committed to supporting the local communities in which we work, in recent years we have stopped company gifts and started a charitable fund. Each branch then gets the opportunity to nominate and vote for charities to receive the money, with donations heading out before Christmas. In 2020 we wish to expand on charitable donations and have launched the GA Barnie Group Community Benefit Award Scheme which local groups, charities and incentives can apply to.

### How the Money will be split

Annually we will issue £5,000, with this figure being reviewed annually. The money will be issued in the form multiple smaller donations ranging from £250-£750 and one larger donation £2000.
